Established in 2011, The Rocksalt Group is an independently owned and award winning group of restaurants and pubs located across the South Coast of Kent. The operation includes flagship restaurant Rocksalt, which has held 2 AA rosettes for 13 consecutive years running. Rocksalt is located in Folkestone, less than an hour on the high speed rail link from London St Pancras and offers stunning views over the working harbour and the English Channel. We've designed an informal yet elegant dining space, along with a stylish wine bar perfect for relaxed afternoons or lively evenings.

Our menu is centred around the freshest, locally-sourced ingredients, with fish caught daily from local boats and high-quality meat from the surrounding countryside. As a proud Kentish restaurant, we celebrate the abundance of local produce, upholding values of quality, sustainability, and provenance in everything we do.

Led by Head Chef Ákos Máté, we aim to be a beloved local restaurant that's integral to Folkestone's heritage, offering exceptional food with a deep connection to our environment.
